AFI 36-2903, 1 April 1996, is supplemented as follows:

Table 1.1.

Note 3 (Added). Physical Education (PE) Instructors assigned to the Directorate of Athletics (AH), will be issued and required to wear the approved PE uniform when instructing cadet PE courses. The PE Instructor uniform will be established by the Director of Athletic Programs (AHP) and approved by the Director of Athletics. The PE uniform can be issued to the USAFA senior staff for official wear at required Basic Cadet and Cadet Wing athletic functions. Athletic coaches will be issued and required to wear approved attire when at practices, competitions or officially representing USAFA. Appropriate attire will be established by the respective head coach and approved by the Director of Athletics. Athletic team attire can be issued to the AH senior staff for official wear at required cadet athletic events. Football game sideline staffs will be issued and required to wear approved attire when performing official duties at football events. Athletic Event Management staffs will be issued and required to wear approved attire (including attire required by the NCAA, conference, or other association of federation game or contest rules) when performing official duty at athletic events; appropriate attire for these events will be approved by the Director of Athletics.

Table 1.3.

Note 5 (Added). The following guidance must be followed when attending USAFA home athletic events. A military uniform is mandatory at home football games for (Supt may direct a specific uniform):

Any USAFA attendees who sit with the Cadet Wing.

All USAFA attendees at games against Army and Navy.

Those on duty at the stadium and those designated as members of the official party.

For other home games UOD is not mandatory but HIGHLY ENCOURAGED. USAFA military

members who wear the UOD to outdoor events will normally wear the flight cap. Hats are required in the stadium (except while seated), in the stadium parking lot (except while at tail-gate parties), and during the National Anthem. Group Commanders and above may approve exceptions as circumstances dictate.

Figure 2.10.

Note 2 (USAF). Wear of the bright, nonsubdued, grade insignia by officer personnel on Battle Dress Uniform (BDU) caps including organizational baseball cap is mandatory while in garrison. The issue BDU cap with subdued grade insignia will be worn during exercises and contingencies.

Figure 2.11.

Note 3 (USAF). All personnel assigned to the Air Force Academy, excluding tenant units, will wear the USAF Academy Patch on the right breast pocket. Personnel assigned to the 34th Training Wing or the 10th Air Base Wing may wear the appropriate wing patch on the left breast pocket, at the discretion of the wing commander. Personnel may wear the appropriate unit patch centered ½ inch above the name tape (right side) at the discretion of the unit commander. Patches will be subdued and sewn on.

Also includes the corridor that extends from the trailers to the Annex door. Does not include the other parts of the sidewalk surrounding the Annex.

3.1.1. (Added) (USAFA). The Security Force's bicycle patrol uniform and wear instructions are authorized IAW 10 SFS Special Security Instruction SF 31-11, Bicycle Patrol Program.

3.1.2. (USAFA). Flight suits are authorized functional clothing for those individuals performing flying duties. Flight duty includes preparation, flight, preflight, in-flight, post-flight, and other flight line duties associated with aircraft operations. Organizational commanders may prescribe wear in the interest of morale, health, and welfare of their people. Flight clothing worn by personnel not on aeronautical orders (e.g., weapons controllers, intelligence personnel, rated members currently performing duty outside primary flight duty, and others) is restricted to flight-related duties. Wear of flight clothing is encouraged during designated Warrior/Heritage Days, or other special occasions specifically designated by organizational commanders. Sleeves will be worn full length (not pushed up). (EXCEPTION: When not flying,

the Velcro portion of the sleeves may be unfastened and tucked under the sleeve the width of the Velcro fastener). When approved by organizational commanders, sleeves may be pushed up to the crease of the elbow while in the immediate work area. Organizational commanders will determine immediate work area. All pockets will be zipped and all pocket items will remain concealed. (EXCEPTIONS: Pens and pencils may show when carried in the left sleeve or right leg penholders, and flight caps may show when carried in an unzipped flight suit pocket.) Flight suits are configured as prescribed in table 3.7. (Added). Like BDUs, flight suits may be worn to off-base establishments for lunch where similar clothing is worn by our civilian counterparts (except where establishments operate primarily to serve alcohol). Flight suits may also be worn when conducting minor errands not requiring lengthy stops.

3.1.2.1. (Added) The following information pertains to personnel assigned or attached to the 34th Operations Group (and subordinate squadrons) or the 50th Education Squadron:

3.1.2.1.2. (Added) Wear of white with blue trim collar crew-neck T-shirts (USAF T-shirt) is authorized for the 98 FTS while at the USAFA airfield only.

3.1.2.1.3. (Added) Cloth aircrew style nametags are authorized:

3.1.2.1.3.1. (Added) 50 ES: Blue cloth with red trim and white lettering.

3.1.2.1.3.2. (Added) 34 OG: Blue cloth with gold trim and lettering.

3.1.2.1.3.3. (Added) 34 OSS: Red cloth with white trim and lettering.

3.1.2.1.3.4. (Added) 94 FTS: Blue cloth with white trim and lettering.

3.1.2.1.3.5. (Added) 98 FTS: Navy blue cloth with gold trim and white lettering.

3.1.2.1.3.6. (Added) 557 FTS: Royal blue cloth with gold trim and silver lettering.

Table 3.4.

Note 6 (USAFA). The primary uniform will be the dark blue pants with light blue shirt with ribbons. The blue trousers will be bloused (not tucked in). A white ascot with the USAFA crest will be worn and a white aiguillette will be worn on the left shoulder. White gloves will be worn at all times while directing traffic. Jump boots with white laces (utilizing ladder lace technique) will be highly shined. Chrome whistle will be worn on the right breast pocket (or its equivalent for females). The regular polyester (non-SF) blues jacket will be worn, as needed, with the USAF Academy crest and, for enlisted, rank sewn on.
